

Youth Protection Training

Are you up-to-date on this required training?

National BSA requires this training to be up-to-date. In an effort to comply with this ruling, Rip Van Winkle Council policy is as follows as of June 2017:

- 1. Unit leaders take annually in January for re-charter**
 - 2. Council / District leaders take annually in June**
- If you are registered in both areas, we suggest you meet the January requirement as it will also cover June requirement.**
