

The Merit Badges We Will Be Offering This Week;

- Electricity Merit Badge*
- Plumbing Merit Badge
- Home Repairs Merit Badge
- Painting Merit Badge

* Some merit badge work may have to be completed before coming to this specialty camp. Please refer to;

- Electricity Merit Badge—<http://www.usscouts.org/mb/worksheets/Electricity.pdf>

Things To Look Forward To;

- The chance to learn how to use specific tools for electrical, plumbing, home repairs, and painting work.
- The chance for hands on experiences through out the entire week with different professionals from each trade.
- The chance to fix up different places and items in our beautiful camp for the betterment of the camp.
- The chance to apply these newly learned skills in your home to impress your family. Especially Mom and Dad.

Things You May Want To Bring;

(If YOU decide to bring a tool belt of any kind or tools of any kind that are from your home, please note that Camp Tri-Mount IS NOT liable in the event of any stolen property, or any damaged property. You bring it at your own risk.)

- Tool belt
- Tools for electrical, plumbing, home repair, and painting work.
- Anything you feel would help you accomplish these merit badges.
