GUIDELINES FOR USING THE MERIT BADGE COUNSELOR LIST

1. All Scouts must use Merit Badge Counselors who are currently registered and certified through the Boy Scouts of America. This list is your reference guide. Updates will be posted as new counselors are approved.
2. What if there is no Counselor listed for a badge which your Scout wants to do? Assist in recruiting and helping a person file the appropriate paperwork to become a Counselor for the needed badge. As soon as the Council Advancement Committee certifies that person, refer Scouts to the new Counselor.
3. To become a Merit Badge Counselor a person must fill out and submit both an Adult Application and the Merit Badge Counselor Information form, forwarded them to the Council Service Center for approval (process can take up to one month).
